## LUXURY SMALL SHIP ANTARCTICA EXPEDITIONS

PONANT, World Leader of Luxury Polar Expeditions, are experts with **over 20 years of polar expedition experience**, with more ships carrying more guests each year to explore the isolated region of Antarctica than anyone else. Your clients will board the **world's youngest expedition fleet of ice-rated small luxury ships**, plus enjoy an **Open Bar** and **sophisticated cuisine** as they experience PONANT's unique combination of French lifestyle, comfort and intuitive service.

Accompanied by an **experienced polar Expedition team**, they will gain valuable insights and enjoy **Zodiac® outings and landings** in seldom visited locations. They will discover the **Antarctic Peninsula's icy vastness** and **prolific fauna**: humpback whales, seals, penguins... Cruise amongst **ice floes** and go on **nature hikes**. The remote **Falkland Islands** and **South Georgia** are even rarer sites to discover, with their thriving habitats of **seabird colonies** and **penguin rookeries**.
