P&O Cruises recently celebrated one year to go for the arrival of *Pacific Adventure*, the biggest ship ever to join the fleet, hosting travel agent trivia events in the Gold Coast, Brisbane, Newcastle, Wollongong and Parramatta.

One lucky agent at each event was crowned trivia champion plus won a three-night P&O Cruise.

As part of the events P&O National Sales Manager Andrew Thwaites presented to the crowd the amazing features available on *Pacific Adventure*.

Features include the "Twin Racer" water slides and the ship's new dedicated family area, which includes a pool under a sliding glass roof so guests can swim any time of the year.

"Not only are we a year away from welcoming *Pacific Adventure*, we are also a year

away from *Pacific Explorer* cruising from Brisbane.

"*Pacific Explorer* offers guests more balconies and suites, water slides and more amazing dining options.

"Queenslanders are going to love *Pacific Explorer*," he said.
