

ROYALUP

YOUR CLIENT'S UPGRADE IS JUST A BID AWAY

Royal Caribbean is excited to introduce RoyalUp – our bid-based stateroom upgrade program, inviting your clients to bid for a higher category on their upcoming Royal Caribbean cruise. Best of all, we take care of all the upgrade arrangements, while travel partners receive full commission on the upgrade amount. And, we'll make sure you're looped in on all communication with your client.

*Royal Caribbean reserves the right to not accept any bid regardless of offer amount or stateroom availability. Availability of upgrades is limited and is made at the sole discretion of Royal Caribbean. We reserve the right to accept any bid from the time it is submitted to the departure date and time. Bids are based on double occupancy. Only the first and second passenger on the reservation will be charged. Once your bid is accepted, the upgrade amount paid is final and non-refundable. The upgrade does not include any additional promotions. Current promotions on the reservation will not be altered. Royal Caribbean cannot guarantee a specific cabin number assignment within the upgraded category. Your cabin number will depend on space availability and cannot be changed. ©2020 Royal Caribbean Cruises Ltd. Ships' registry: The Bahamas.
